The Autism Society of Maine is a nonprofit, grassroots organization comprised of individuals and families affected by autism and the professionals who work with them. Autism occurs in one out of every 44 births nationwide.

We are requesting donations to add more food items or raffles items to our Walk for Autism events in Bangor and Westbrook. All donations will greatly help keep the cost down.

We hope that you will find this event a great opportunity to be a recognized sponsor that will help support Autism Society of Maine, and the communities in Maine. **Your help is needed more than ever** to help ASM be a vital support to families. Proceeds from this event will be used specifically for education, advocacy efforts and family / individual supported programs.

Please feel free to call the Autism Society of Maine: **1-800-273-5200** or email: susan@asmonline.org and we can discuss the delivery of the in-kind donation.

April 23, 2023 - Walk for Autism, River Bank Park, Westbrook

April 30, 2023 - Walk for Autism, Waterfront Park, Bangor
